

Paid Educational Leave Committee – May 1, 2021 Report

Due to the health pandemic, the Paid Educational Leave Committee adjusted the adjudication schedule and met in August of 2020. The PEL Committee, consisting of Kathryn Taft (Chair), Danielle Labossiere, Anthea Mallinson, Greig Gjerdalen, Lawrence Wu and Carol Schoen, adjudicated 18 Paid Ed Leave applications for the 2021-2022 academic year. Six leaves have been granted. The six recipients and the number of sections of PEL for each are:

- Del Dhammi (8 sections)
- Craig Simmons (8 sections)
- Kathleen Kummen (8 sections)
- Michael Fleming (8 sections)
- Christopher Gratham (8 sections)
- Lily Yen (6 sections)

With thanks, we recognize the contributions of two PEL Committee members who have now stepped down: Anthea Mallinson, who has been a PEL Committee member for many years and Lawrence Wu who has retired.

Thanks to Reinhold Klein in the CFA office for his invaluable assistance.

Respectfully submitted,
Kathryn Taft
Chair, Paid Educational Leave Committee
