
Hello Faculty,

For anyone who might be in Victoria on Oct. 1, 2011, and/or has concerns about what has been going on with Capilano's own ABE budget situation over the past two years, see the email below.

Tim Acton
President
Capilano University Faculty Association

This message has been posted to the FPSE Presidents' Council listserv.

Hello,

Just a heads up for everyone regarding a Camosun student protest on October 1st, taking place on the legislature lawn. This protest, however, is specifically targeted to highlight the cutbacks to ABESAP (Adult Basic Education Student Assistance Program).

Camosun students plan, on Saturday, October 1st, to hold a "garage sale" to raise money for tuition and textbooks. They are asking for faculty and student support, both through coming to Victoria on the 1st, and perhaps through donations to the "garage sale" as well. I see this as an excellent opportunity to rid ourselves forever of any lingering macramé chickens and fondue pots while supporting our students.

It would be terrific if our Student Society could work with your student societies and maybe make this a pretty big event! So it would be great if you could pass this info and email addresses (below) along to your student society reps.

For more information you can contact Sahara Maclean
maclean@camosunstudent.org (the external executive officer for the CCSS) or Madeline Keller-MacLeod crueltyfree.mkm@hotmail.com.

Thanks,
Bronwen
