To: College Pension Plan employers:

The College Pension Plan is pleased to offer free retirement seminars for plan members. **To help us inform members about these seminars, please distribute the attached promotional poster and/or post it in common areas.** The poster is designed to print either in colour or black and white, with no difference in print quality.!

### **What we offer**

Our retirement seminar focuses on key pension concepts and gives members the tools they need to make informed decisions based on their individual circumstances. Through interactive exercises, members will learn to navigate our website and to use online tools, including our online pension estimator.

All plan members, including those receiving long-term disability benefits, are welcome to attend.

### **How to register**

Members can learn more about this seminar, view the most current schedule and register by visiting [college.pensionsbc.ca](http://college.pensionsbc.ca). Under Resources, click on [Pension Information Seminars](#). !

The seminar is very popular and fills quickly. Registration is on a first-come, first-served basis so members should register early to avoid disappointment. Members are responsible for their own travel and associated costs of attending a seminar.
